Okay kids, the good folk at the ImaginAsian Theater in New York have offered up five pairs of passes to see Katsuhito Ishii's mind bending cult hit Funky Forest for free any time during it's run from March 7th to 13th and the time has come to draw our winners. And the lucky quintet are: Josh Mosby, Alex Kane, Mark Lastimoso, Rachel Hock, and Jesse Van Dusen. Congratulations! And for the rest of you, not winning is no excuse for not going!
